## SPIRITUAL ADOPTION PROGRAM

Month Five - Your spiritually adopted baby weighs over one pound now. His mother can feel him moving now. Before he was too small for her to feel. Although he swam with ease in his watery world, he needed to be big and strong enough to kick hard against the outside uterine wall and dent it-the inside wall of the uterus has no feeling. We are mid-way through the pregnancy now. Your prayers have helped your baby's mother continue with her pregnancy and seek the help she needs.

*Dear Lord, You formed my inmost being; you knit me in my mother's womb. I praise you, because I am wonderfully made; wonderful are your works.*

Don't forget your food pantry donations of non-perishable items. Consider volunteering to help feed the hungry! Boxes are in both churches for non-perishable donations.
