LECTIO: THE CASE FOR JESUS WITH DR. BRANT PITRE

Do you follow Jesus 'on the way'?

Can we trust the Gospels? Do we really know who wrote them? Do the Gospels communicate truth – or fabricated fables? Who is Jesus? Who did Jesus claim to be? Join Dr. Brant Pitre as he draws evidence from both early Christian and non-Christian writings attesting to the authenticity, authorship, and dating of the Gospels, and as he gives an in-depth look at the Gospel accounts of Jesus's Crucifixion, Resurrection, and the proclamation of Christ's divinity.

Dr. Pitre's powerful presentation will strengthen your faith so that you can not only stand firm and profess that Jesus truly is "the Christ, the Son of the living God," but also confidently respond to any skeptics you encounter.

Father Bryan will be leading this study in Holy Child Hall following the 11:15 am Sunday Mass beginning February 26th. Light refreshments served.

FROM YOUR HEALTH MINISTRY

MEDICATION ADHERANCE

Taking your medication in the right dose, the right way, and at the right time is called adherence.

Helpful reminder tips to increase your level of adherence

- Set up reminders on your phone or computer.
 - Make it a habit by taking your medication at the same time every day.
 - Ask family or friends to help remind you - a phone call or text from a family member or friend is all it may take.
 - Try dosing containers to help you keep on track.
 - Talk to your primary care provider about consolidating or changing medication to make adherence easier to achieve.
- "Drugs don't work in people who don't take them."*

C. Everett Koop.

Please pray for our recently deceased.

**Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.
May they rest in peace. Amen**

SPIRITUAL ADOPTION PROGRAM

Month Six - Your spiritually adopted baby is developing quite beautifully now. Her weight is approaching 2 pounds. Babies born at this time have a very good chance of surviving. The medical advances in caring for extremely small newborn infants are extraordinary indeed. Don't forget to pray for your baby. Abortion is legal through all nine months and her mother might still feel pressure to abort.

Mary, our Mother in heaven Pray for us, and especially for your little ones in danger of abortion. Amen.

Spiritual Adoption Warriors,

continue to pray for my mother and me.

Can a mother forget her infant, be without tenderness for the child of her womb? Even should she forget, I will never forget you. See, upon the palms of my hands I have written your name. - Isaiah 49:15-16 (NAB)
