FROM YOUR HEALTH MINISTRY

HUMIDIFY YOUR HOME

As we batten down the hatches against the bitter sting of winter's cold and wind we create a cozy and warm home. At this we can also create a dry and unhealthy environment. We've all experienced the effects of dry air - static cling, that familiar zap you get when touching something after walking across the carpeted floor, or the occasional nosebleed. Humidification can help reduce these problems. A humidity level of 40-60% is recommended. Most of us will find 40-50% makes the house feel warmer and more comfortable. Humidity also reduces viral activity and minimizes the risk of infection. Modern home heating units have built-in humidification. We all remember the humidifier that mother would put in our bedroom when we had a bad cold. This helped to keep nasal secretions loose, making it easier for the sick child to breathe. Room humidifiers can also make any room more comfortable to be in.

YOUR HEALTH MINISTRY IS IN NEED OF WHEELCHAIRS.

If you borrowed one and no longer need it or have one to donate, please call Dotty Welsh 570-662-2057.

HOMELESS SHELTER DONATIONS

There is a new collection bin in the vestibule of Holy Child Church for donations to the homeless shelter. Personal hygiene items like shampoo, deodorants, soap, feminine hygiene supplies, are in demand along with canned foods. Help fill the bin, please! Thanks!

ARE YOU REALLY A REGISTERED PARISHIONER?

Adult children should register as an independent member in the parish. You are not automatically registered when you reach adulthood. The general guideline is either the age of 24 or when your parents can no longer claim you as a dependent on their taxes, even if you are living in the same home. To register, contact the parish office.

LECTIO: THE CASE FOR JESUS WITH DR. BRANT PITRE

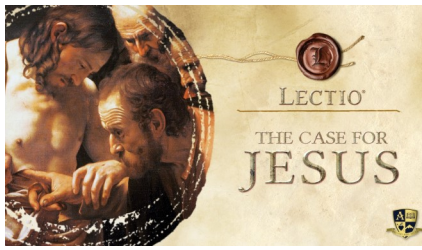

Do you follow Jesus 'on the way'?

Can we trust the Gospels? Do we really know who wrote them? Do the Gospels communicate truth – or fabricated fables? Who is Jesus? Who did Jesus claim to be? Join Dr. Brant Pitre as he draws evidence from both early Christian and non-Christian writings attesting to the authenticity, authorship, and dating of the Gospels, and as he gives an in-depth look at the Gospel accounts of Jesus's Crucifixion, Resurrection, and the proclamation of Christ's divinity.

Dr. Pitre's powerful presentation will strengthen your faith so that you can not only stand firm and profess that Jesus truly is "the Christ, the Son of the living God," but also confidently respond to any skeptics you encounter.

Father Bryan will be leading this study in Holy Child Hall following the 11:15 am Sunday Mass beginning February 26th.

SPIRITUAL ADOPTION PROGRAM

Month Six - Your spiritually adopted baby is developing quite beautifully now. Her weight is approaching 2 pounds. Babies born at this time have a very good chance of surviving. The medical advances in caring for extremely small newborn infants are extraordinary indeed. Don't forget to pray for your baby. Abortion is legal through all nine months and her mother might still feel pressure to abort.

Mary, our Mother in heaven Pray for us, and especially for your little ones in danger of abortion. Amen.

Spiritual Adoption Warriors,
continue to pray for my mother and me.

Can a mother forget her infant, be without tenderness for the child of her womb? Even should she forget, I will never forget you. See, upon the palms of my hands I have written your name. - Isaiah 49:15-16 (NAB)

Sometimes we might feel like we're stuck in spiritual deserts. In this episode of The Wild Goose, Fr. Dave Pivonka shares how the Holy Spirit is present even in these times of desolation.

In this talk, Fr. Mike Schmitz shares with us the need to pick up our crosses and embrace Christ in our own suffering. He reminds us that love often means sacrifice!
