FROM YOUR HEALTH MINISTRY

You have high blood pressure and are taking your medication as you should, reducing your salt intake, and exercise moderately at least 3 times a week but the numbers aren't coming down. What's wrong? Maybe nothing, but maybe a personal habit that is putting you at increased risk.

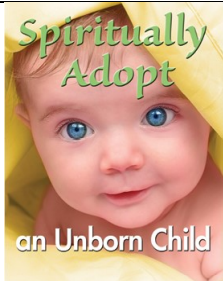

A little wine or a drink is good, but too much, even in just one sitting, can raise your blood pressure for up to three days. A good rule of thumb is one drink per day. As is often said, "Moderation is the key."

Another possibility is medication or supplements that your physician is unaware of. Medications including anti-inflammatories such as Ibuprofen, Motrin, Naproxen and Aleve; decongestants containing Sudafed; or pseudoephedrine are known to increase blood pressure. Antidepressants and immunosuppressants can also make managing your blood pressure more difficult.

Every health care provider from your primary care physician, eye doctor, dentist and specialists needs a complete list of every pill you take. This includes aspirin, vitamins and other over the counter supplements. Many supplements may interfere with the effectiveness of prescription medication. Just as certain foods may cause problems - such as grapefruit with cholesterol medications.

Spiritual Adoption Program

Month Eight - Your baby is making progress developing all of his external features and internal organs. His brain is functioning at 40 days. His mother can hear his heartbeat now on an ultrasonic stethoscope. Baby-teeth buds are present at 6 ½ weeks. And it has been reported that a two-month old baby can suck his thumb. From this moment, your spiritually adopted baby grows and refines his body. But everything he needs to survive after birth is already present by the end of the eighth week.

*God, author of all life, bless, we pray, this unborn child;
give constant protection and grant a healthy birth
that is the sign of our rebirth one day into
the eternal rejoicing of heaven. Amen.*

Spiritual Adoption Warriors,
continue to pray for my mother and me.

*For you created my inmost being; you knit me together in my
mother's womb. I praise you because I am fearfully and
wonderfully made; your works are wonderful, I know that
full well". - Psalm 139:13-14 (NIV)*

On the weekend of May 5 - 22nd, baby boxes will be set up in front and back of Holy Child Church for your donations. New, unwrapped, baby gifts up to two years of age will be accepted and will be delivered to *Heart of Tioga*.

A poster board will be set up for you to put a babies name tag on. Thank you from health ministry in advance to celebrate the new lives. We all prayed for over the last nine months for mothers and babies to prevent abortion.

Pregnancy and Parenting Support

Heart of Tioga Baby Bottle Campaign starts this weekend!

Please take a bottle home.

Fill it with your loose change and return it by April 30th.

Bottles are in both churches.

Easter Triduum

WHAT IS THE TRIDUUM AND WHY SHOULD I CARE?

Mary Lane, April 5, 2012

<https://catholicexchange.com/what-is-the-triduum-and-why-should-i-care/>

Three days in a row at church? Maybe it sounded miserable when you were six, but this year you're much older and wiser. More importantly, you have gotten to know the person of Jesus Christ. And there is no better or more fitting way to commemorate Christ's passion, death, and resurrection than participating in the Easter Triduum.

WHAT IS THE EASTER TRIDUUM?

The word "Triduum" can mean any three-day period of prayer that typically precedes a feast day. The Easter Triduum (or Paschal Triduum) is the three days of prayer that precede the celebration of Easter. These three days see the celebration of the Mass of the Lord's Supper on Holy Thursday, a Good Friday service that recalls the passion and death of Jesus Christ, and finally, the three days culminate in the celebration of Christ's Resurrection at the Easter Vigil, after nightfall on Holy Saturday but before dawn on Easter Sunday.

HOLY THURSDAY

Tonight we celebrate the Mass of the Lord's Supper (your parish probably has this Mass tonight around 7pm). At this Mass, we commemorate the Last Supper of Jesus (as, of course, we do at every Mass—but in a special way tonight). We recall Jesus' words to the twelve in Luke's Gospel on the night he was handed over, "I have earnestly desired to eat this Passover with you before I suffer." We recall Christ's washing of the apostles' feet in the institution of the priesthood, and the institution of the Eucharist. The Mass will end with the procession of the Blessed Sacrament out of the church to a place of repose, where the faithful are typically able and encouraged to stay and pray for a period of time. The altar in the church is then stripped and crosses are

covered with a red or purple veil. This is a perfect way to prepare for Good Friday. Celebrate with Christ the Passover meal, and enter with him into the Garden to pray.

GOOD FRIDAY

Good Friday is the day that we commemorate the passion and death of our Lord and Savior, Jesus Christ. This is the one day out of the entire year that the Catholic Church does not celebrate the Mass. Instead, there is a Good Friday service (usually takes place in the afternoon) that typically consists of the Liturgy of the Word, veneration of the Cross, and communion (the communion hosts received at this service were consecrated at the Mass of the Lord's Supper on Holy Thursday). This is a solemn day on which Catholics are obliged to fast. Especially between the hours of 12 and 3pm, the faithful are called to meditate on the passion and death of Jesus Christ.

THE EASTER VIGIL

The "mother of all holy vigils", on this night, the Church keeps vigil for the Resurrection of Jesus Christ. It is also at this Mass that the Church welcomes its newest members through the sacraments of initiation (baptism, confirmation, and Eucharist). You will not find a more joy-filled or a more glorious celebration on this earth than the Easter Vigil. A lot more could be said, but words just won't do it justice.

The goal of our worship, of our liturgy, as Catholics is communion with God. Over these next three days during which we commemorate the good news of our faith as Christians, what better way to be united with God than to walk the steps of Jesus along with the Church? To participate in the Mass of the Lord's Supper this evening, to enter with Christ into the Garden tonight, to walk with him on the road to Calvary tomorrow, to wait in haste on Saturday and keeping vigil into the night, ultimately celebrating his resurrection from the dead and victory over sin.

*O happy fault, O necessary sin of Adam,
which gained for us so great a Redeemer!*

THE FAITHFUL DEPARTED | ETERNAL REST | EPISODE 4

What is left for the living to do after someone dies? In this session, we talk about the final ways in which those still living on earth care for the body and soul of the dead. We discuss the work that remains for the living to do as we grieve for the deceased and as we turn to the work of preparing for our own death, and the hope in which we live and die as Christians.

LECTIO: THE CASE FOR JESUS WITH DR. BRANT PITRE

Do you follow Jesus
'on the way'?

Can we trust the Gospels? Do we really know who wrote them? Do the Gospels communicate truth – or fabricated fables? Who

is Jesus? Who did Jesus claim to be? Join Dr. Brant Pitre as he draws evidence from both early Christian and non-Christian writings attesting to the authenticity, authorship, and dating of the Gospels, and as he gives an in-depth look at the Gospel accounts of Jesus's Crucifixion, Resurrection, and the proclamation of Christ's divinity.

Dr. Pitre's powerful presentation will strengthen your faith so that you can not only stand firm and profess that Jesus truly is "the Christ, the Son of the living God," but also confidently respond to any skeptics you encounter.

**Father Bryan is leading this study in
Holy Child Hall following the 11:15 am Sunday Mass.**
