## THE HIDDEN KING: THE JEWISH ROOTS OF ST. JOSEPH

What is your image of Saint Joseph? A poor, humble carpenter, or the hidden King of the Jews? An elderly widower, or a man in his prime, the chaste spouse of Mary? The mere legal guardian of the child Jesus, or the earthly shadow of the heavenly Father?

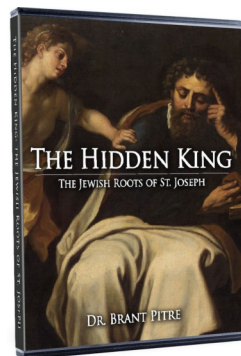

In this series, Dr. Brant Pitre takes the popular figure of Saint Joseph and opens up the mysteries of his hidden identity, his relationship with Mary, and his role as the earthly foster-father of Jesus. In it, you will learn about:

- How Joseph was the Hidden King of the Jews
- Why Joseph was a threat to the Fake King Herod
- Why Herod Murdered his own Wife, three Sons, and the Infants in Bethlehem
- Why Joseph Accepted Mary's Jewish Vow of Virginity
- How Joseph Hid the Virgin Birth from Satan
- Joseph's Relation to the "Brothers" of Jesus
- Apocryphal Legend of the Elderly Joseph
- The Biblical Age of Saint Joseph
- The Persecution of Joseph's Family
- How Joseph is the earthly Shadow of Jesus' heavenly Father

Many books on Saint Joseph focus on apocryphal legends and private revelations. In this Bible Study, Dr. Pitre focuses on what we can learn about Saint Joseph from the Bible, ancient Jewish and Roman history, and the living Tradition of the Church. As you will discover, although Joseph is silent in pages of the New Testament, when looked at through ancient Jewish eyes, he stands with Jesus and Mary at the very center of salvation history.

So, if you already have a devotion to Joseph, or if you just want to understand what the Bible really teaches about the man who was closest to Jesus, this Bible Study is for you.

This Study meets in Holy Child Hall following the 11:15 am Mass. *Due to the Parish Dinner and to Labor Day, the study will not meet on August 27th or September 3.*

### HEALTH MINISTRY NOTES

Remember the beginning of the Wizard of Oz? How a tornado hits and turns Dorothy's world upside down? Well we don't live in Kansas or any other part of tornado alley but we have had an increasing number of strange weather occurrences including tornado watches and warnings. So what is the difference between a watch and a warning? A tornado watch means that the weather conditions are right for high winds with a rotation of rising hot air and dropping cold air, heavy rain and frequently hail. A tornado warning means that conditions are more favorable for the formation of a funnel cloud or one may have been spotted. So be prepared, don't be scared. Tornadoes can hit anywhere. So have your cell phone set for severe weather notifications or have a NOAA weather notification radio. Once a warning has been issued choose a room in the lowest part of your home, preferably without windows as a place to gather. Have some extra water and your emergency pack with you. If driving, leave your car and lie in a ditch until the weather passes. Enjoy your summer but be aware of weather changes.

### SUMMERTIME DRESS

Visitors to St. Peter's Basilica, the Sistine Chapel, or the Vatican Museums are required to abide by an official dress code: men can wear long pants and shirts with at least short sleeves; women can wear trousers, capri pants, or skirts and dresses (knee length or longer). Bare shoulders, shorts, and short skirts are not permitted. It seems reasonable to abide by the same standards in our own church during Divine worship. By doing so, we show our respect for God and one another.
