MARIAN MINISTRIES

THE LIVING ROSARY has been updated and is complete for October 1st-31st. It's not too late to participate in this powerful devotion; laurie.coffee@gmail.com / 703-470-2975. Participants will gather for a social at St. Mary's Church, Blossburg following First Saturday services, **November 4th**.

ABOUT FATIMA

Our Lady of Fátima is the title given to the Virgin Mary as she appeared before three shepherd children, Lucia Santos and her cousins, Jacinta and Francisco Marto, near the village of Fátima, Portugal, in 1917. She identified herself to them as the Lady of the Rosary. The Roman Catholic Church officially recognized the Fátima events as worthy of belief in 1930.

Our Blessed Mother urged all to pray constantly for the conversion of sinners. Before he became Pope Benedict XVI, then-Cardinal Joseph Ratzinger said that **the central message of Fatima is what the Church has always taught: prayer, penance, and conversion.** The Church celebrates **October 13th** as the date

of our Blessed Mother's final public appearance to the shepherd children of Fatima and the "Miracle of the Sun" on October 13, 1918. For more information, visit: <https://www.ewtn.com/catholicism/saints/our-lady-of-fatima-423>

CONFIRMATION CLASS NOTES

Last week the Holy Child Confirmation class began a journey towards entering the church as adults when they receive the Sacrament of Confirmation. While many understand this as a "graduation" of sorts, this is a mistake. It gives ideas that this is the end of study and growth in our faith, and it is treated as an activity to mention in a college application or box to check to make Grandma happy. Nothing could be further from the truth. The Sacrament of Confirmation is continuation of the blessing of Pentecost, when the Holy Spirit was bestowed upon the Apostles by Christ after his ascension.

We briefly discussed taking a new name upon receiving the Sacrament, how people select names, and the importance placed on name changes in the Bible. We also read about a couple of common names taken, and read briefly about those names in the Dictionary of Saints by John Delaney. We also discussed what "Saint" means, and how the church determines who is a Saint, and talked about Blessed Carlo Acutis and the journey towards his potential canonization.

One lesson that was stressed is the importance of the Real Presence of the Eucharist and the belief in His presence, body, blood, soul, and divinity is in each particle. We tried to understand how the celebration of the Mass is the sharing of one sacrifice across all celebrations and how it is OK to not be able to grasp the immensity of God's being. That the concept is just too large for our human brains to comprehend, but how it is still worthy of our reflection. We also introduced the historic reliability of the Bible as a concept as many people today doubt the historic and factual nature of the Bible, with many who are hostile to the faith proclaiming the Bible being wholly parable.

As it was the first day of class, we covered many topics briefly to lay a foundation, to establish the level of knowledge of the candidates, and to root out their interests and what doubts we may need to explore and answer.

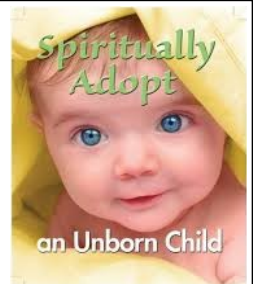

It may come as no surprise that the students are preoccupied by sports and the larger world. We as parents, grandparents, and members of the parish and community need to try to be more open with our beliefs, and their importance in our own lives, and try to build a welcoming place for our own families and future generations of the Catholic community.

I hope to bring you along with brief lectures presented to the Confirmandi, and we can all take part in the education of our youth.

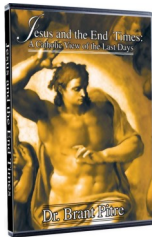

Your Brother in Christ, Z. Buck (Catechist)

SPIRITUAL ADOPTION—MONTH TWO

Developing Baby... now called a "fetus" (Latin for "little one"). She is making rapid progress developing all her external and internal organs. During the second month baby teeth form, and fingers and toes are developing. Her ears, nose, lips, and tongue can now be clearly seen. Brain waves can be recorded. The skeleton changes from cartilage to bone. The central nervous system is now functioning, so forty muscle sets begin their first exercises. By 8 weeks, all body systems are present. This little one can now suck her thumb and is about two inches long. Thank you for praying for this precious little baby!

**BIBLE STUDY: JESUS & THE END TIMES;
A CATHOLIC VIEW OF THE LAST DAYS**

Have you ever wondered what the Bible teaches about the End of Time? Many Catholics have heard of “the Rapture”, the “Antichrist”, and the Second Coming, but are unsure exactly what to believe. The Catholic Church has very explicit teachings about these topics. What is the meaning of Jesus’ prophecies of tribulation and the coming of the Son of Man? Are we in the “end times” now? Why did Jesus prophecy the destruction of the Temple, and how does it relate to the End of the World? Why is the Protestant belief in a secret “Rapture” such a dangerous belief? What does the Bible teach about the coming of the Antichrist? What will the Final Judgment be like, and how will we be judged? These and many more questions will be answered in this eight-part series—surely Dr. Pitre’s most fascinating Bible study yet! Join us October 15th after the 11:15am Mass.

VISITS TO THE HOMEBOUND

If you or someone you know cannot get to Mass and would like to receive Holy Communion or a pastoral visit, please contact the Parish Office.

Would you or someone you know enjoy a friendly visit, a partner to play cards or games with, someone to read to them, or simply keep company? As an outreach of Marian Ministries, Mary Hohman has offered to visit local residents and nursing homes, to spend time with people who may feel alone. Contact Mary at (717) 203-9090.

ADORATION IN HOLY CHILD PARISH

Holy Child Parish offers Adoration before all Masses and for an hour following Masses for First Fridays and First Saturdays. During these times, we can silently...

- Adore Christ in the Blessed Sacrament
- Pray the Rosary, Chaplet of Divine Mercy, or other prayer(s)
- Read Sacred Scripture
- Pray the Liturgy of the Hours

Because there are always other people present during Adoration in our Parish, please remain silent. If necessary, whisper a few words. For a conversation, leave the Sanctuary and wait for the door to fully close before quietly saying what you need to say. Remember that the narthex/vestibule is open to the choir loft, which is open to the Sanctuary. Maintaining silence in the Sanctuary shows reverence to the Blessed Sacrament and respect for the prayer time of others. Thank you.

CONFIRMATION CLASS NOTES: A PRIVILEGE OF REVERENCE

We fast, we pray, we confess. We spend the Mass in anticipation, we participate in the Sacrifice, we behold our Lord in the presentation of the Host. We need not rush; receiving the Blessed Sacrament is a gift—a gift I, a wretched sinner, do not deserve, but am granted by His grace. It is only just that I receive it as reverently and respectfully as I am able. While my body allows me, I will kneel, hands clasped in thanks and prayer while I am honored to receive on the tongue.

While there is no sin to receive on a throne prepared of prayerful hands, as described by Church Fathers, those who receive our Lord in this way are asked to consume the Host (and any visible particles which have broken away) in view of the Priest or Eucharistic Minister. This is to protect our Lord from abuses, such as trampling under foot or from satanic, witchcraft, and voodoo rituals.

We love our Brothers in Christ who serve on the altar with Father, who washes his hands and assists with the preparation of the gifts... I promise you, the “Extraordinary” Eucharistic Minister will feel no slight if you cross out of his line to receive from Father. He will feel joy in your reverence. Should our most holy meal take an extra 4 or 5 minutes you should be thankful for that extra time to bask in His True Presence, to contemplate on the privilege you have to share in this One Meal, which is shared and reflected through time.

I pray, my Brothers & Sisters in Christ; resign yourself to fall into line and on your knees in front of Father, the Consecrated Celebrant, to receive from his anointed hand the Body, Blood, Soul, and Divinity onto your tongue. [This is the Pastor’s preference.]

Remember to offer to God your intentions as one of the most powerful prayers we can give. Offer your Mass to help free a soul from Purgatory, or for the conversion of a loved one, or for an end to a friend’s pain.

I hope you choose to receive Him as reverently as you have the opportunity for. I hope you choose to take joy in the extra time you have during Communion to be in His House, and in His Presence.

Your Brother in Christ, Z. Buck (Catechist)
